

Read this if you come to us with a pet

Do you own a dog or a cat? Do you love animals? Great, we love them too! That is why we gave you a possibility to spend your holidays with them. Please read our pets stay regulations before your arrival day.

- 1) Pet's behaviour can change depending on the environment. Even though they are well behaved at home, they can be stressed out and act differently in our house. **Do not leave them alone in a room all day long.**
- 2) After your stay we will host another Guest in this room, they can have a fur allergy. We always clean and ozonate the room, but we can't wash sofa or mattress, that's why animals are not allowed to lay on beds and sofas.
- 3) Sick animals are not allowed in our houses. If you come with a pet, you guarantee they are healthy and vaccinated.
- 4) Every animal has to be led on a leash both in the building and on the playground.
- 5) Animals can not interrupt other Guests who are staying in our place. Please make sure your pet isn't too loud, especially at night time.
- 6) Animals are not allowed in common parts, e.g. dining room, playroom, SPA e.t.c.
- 7) Please remember, as an animal owner, you're responsible for them. If they behave badly and you'll have to leave our house - money for the unused stay will not be refunded.
- 8) During check in we charge a deposit, **which is returned** after room inspection on your check out day.
